Lessons Learned Information Sharing

www.**LLIS**.gov

The national, online network of lessons learned and best practices for the emergency response and homeland security communities.

▶ ## One-Stop Resource

Comprehensive online library of homeland security-related documents, including lessons learned, after-action reports, emergency operations plans, and DHS information.

▶ ## Online Community

Network of experienced professionals from all disciplines sharing lessons learned and best practices to help prevent, protect against, respond to, and recover from terrorist attacks, major disasters, and other emergencies.

▶ ## Free and Secure

Free, password-protected resource accessible only to validated members of the emergency response and homeland security communities.
